DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## September 16, 2015

- Karl Palmer, Chief of DTSC's Safer Consumer Products Branch, will be part of a panel at the 2015 Green Chemistry Clearinghouse conference on Sept. 29 in San Francisco.
- FedEx Ground entered into a settlement agreement with California District Attorneys to partially resolve allegations of mismanagement of damaged products. The settlement does not resolve the action brought by DTSC based on similar allegations.
- U.S. EPA reached a settlement agreement with a metal finishing firm to spend \$108,000 to develop hazardous waste training materials for the metal finishing industry. The materials will be available to DTSC and to the local CUPA.
- 159 residential properties have been cleaned up near the Exide facility in Vernon. See the latest cleanup numbers.
- Follow DTSC and other California EPA agencies on Instagram!

Archived versions of DTSC News Feed can be found on the department website.
